

REMARKS

Applicant submits herewith the issue fee for the present application. However, Applicant respectfully requests that Claims 1 and 5 of the present application be amended as indicated in the attached listing of the claims for the reasons which follow.

The Examiner's Amendment included with the Notice of Allowance includes a typographical error. The Examiner's Amendment uses the phrase "off-numbered" in one line of the amendment to Claim 1 and also in one line of the amendment to Claim 5. The amendment agreed to by Applicant instead incorporates the term "odd-numbered" in its place. This typographical error is evidenced by the lack of any antecedence basis for the feature "the off-numbered ... slots". Applicant respectfully requests that the claims be amended to correct this formal matter prior to the present application being issued as a patent.

Respectfully submitted,

J. Perry Herndon
